

## **March**

During March, the Fund declined 0.5% net of all fees. The Benchmark declined 0.7% over the same period. We ended the month with 19 individual positions in total and with a net cash position of 42%. Our table with monthly historical returns from prior months is at the bottom of this update.

## **What's next?**

We initiated some exciting new positions this month which we look forward to discussing in a future update as we build out full positions.
