Fund overview

The Ryder Capital Small Companies Fund invests in a concentrated, high-conviction portfolio of ASX-listed small cap companies offering an asymmetric return profile based on Ryder Capital's assessment of intrinsic value; underpinned by the proven, value-based, bottom-up investment approach of Ryder Capital.

The Fund aims to deliver long-term returns of 5-10% above its Benchmark (RBA Cash Rate plus 4.00%) regardless of underlying market and economic conditions with a strong focus on capital preservation. The Fund aims to achieve its investment object by investing in 20-30 Australian-listed small cap securities with an emphasis on risk management and capital preservation.
